

Archie Scott Gobber: In Loving Memory of You

excerpts from

Feast on the works of Gobber

05/10/2008

"Gobber's mixed-media constructions and works on paper slyly deconstruct 'of-the-moment' words and phrases, manipulating both surfaces and meaning in an often biting and humorous manner."

"Gobber's work is both a satirically harrowing and hysterical take on how we have ceased to be a nation of citizens, but rather an assembled mass of easily manipulated consumers."
