DVD MAGAZINE OF RARE AND UNSEEN SHORT FILMS

ISSUE 5: WINTER 2008

The fifth issue of Wholphin features an adaptation of Michael Chabon's short story "House Hunting," starring Paul Rudd and Zoey Deschanel; the world champion, one-handed, blind-folded Rubik's Cube master; the ancient art of tree-hanging; an Oscar-nominated animated short; an infuriating expose of the U.S. governments arm twisting, horse thieving assault on two Shoshone Indian grannies; giant paper airplanes; drunk bees; meat puppets; and a short film about Darfuri rebels literally smuggled out of Sudan in the back of a horse cart. 12 films. 155 minutes.
