Group Hug exhibit

"Group Hug" is **Marty Walker Gallery's** way of getting Dallas through a hot summer. It's a cool exhibition featuring new works from gallery artists **Frances Bagley, Douglas Leon Cartmel, Ted Kincaid, Tom Orr, Matthew Porter, Susie Rosmarin** and **Jay Shinn**. And if that's not enough, the gallery is offering creations by a whole bunch of new artists, including **Archie Scott Gobber, William Lamson, Marc Lüders** and **Pard Morrison**. The gallery notes that Mr. Gobber's work "delivers equal doses of sincerity and sarcasm." Mr. Lamson's work will appear in a solo exhibition in September, but in the current show, you get a glimpse of his edgy, urban photographic series *Interventions*. Mr. Lüders, a German artist, offers a compelling combination of painting and photography. And in the end, it all adds up to a "Group Hug."
