**7/26 Museums and Galleries:**  
***Group Hug exhibit at Marty Walker***

Through Aug 30. For those who've never visited the Marty Walker gallery, this is probably a good time to do so. Their summer exhibition, Group Hug, is a collection of new works from artists very familiar to their gallery, not to mention amazing (Ted Kincaid, Tom Orr, Jay Shinn, Frances Bagley, etc) as well as new talent such as Archie Scott Gobber and William Lamson.

After only viewing his works online, we are in absolute love with Gobber (check out Marty Walker website to see why. Some of the wordings on his paintings aren't exactly fit for print.) This is what we would buy if we had money. Go check out the gallery and we're certain you'll want to tap into that trust fund to replace those prints you picked up in Spain after college.
