## Top Ten Old Things Its Good To Have Around 2008

by b.s. December 2008

### #6 [Mark Flood](#)

Do you know Culturcide? Tom Peters? Perry Webb? Look it up or you may find that you're just a fucking idiot. Start with the latest issue of ANP Quarterly and work your way back to the late 60s. From collage pop culture monsters, to minimal destructive statements, to layered baroque fragments, Flood just wants you to know: The artworld is a pathetic sham.
