Spatial Shifts ***Space, the Shifting Frontier***

The shadow of the late West Texas art legend Donald Judd looms large over ***Spatial Shifts***, the newest exhibit at Marty Walker Gallery (2135 Farrington St.). Artist **Jay Shinn's** work--which features stainless steel rods and paint fashioned into minimalist installations--has been compared to that of Judd, while New Yorker **Rupert Deese** (whose work uses topography and maps to create art from the California landscape) is a former artist-in-residence of Judd's Chinati Foundation. **Shinn** and **Deese** share gallery space through June 6; fans of Judd's work should definitely take a look-see. Gallery hours are 11 a.m. to 5 p.m. Tuesdays through Saturdays. Call 214-749-0066 or visit martywalkergallery.com.
