BEST GALLERY Marty Walker Gallery

Perhaps the most exciting art event in Dallas this year was an innovative installation in an abandoned Washington Mutual bank. If you looked closely, you would have noticed many of the artists involved were represented by Marty Walker Gallery. The show-stopping installation at the DMA's

“Performance/Art” exhibition by Tom Orr and Frances Bagley? Marty Walker artists. And in her gallery, Marty Walker continually reimagines her downsized gallery space, somehow turning lack into asset. 2135 Farrington St. 214-748-0066.
